smittyyyy: I'm almost always going 10 over on a freeway
smittyyyy: On smaller roads/highways I won't go anything over 5 but usually sit at the speed limit
smittyyyy: I do think when you're hitting anything more than 10 over on a smaller road that's kind
sage12345: Yeah at least if you're not in any kind of rush either
smittyyyy: They've also done studies on it and speeding on "regular" streets doesn't make you ge
smittyyyy: So there's no reason to speed
smittyyyy: But on freeways ain't no way in hell I'm doing anything under 60 ■
sage12345: I'm comfortable with 60 on the freeway but I'd be seeing everyone going past me an
sage12345: On regular streets too I realized most of the time (especially for shorter routes) you're

sage12345: But i still remember when I didn't have a car and had to walk or bike everywhere so I
smittyyyy: Tbh you can also be pulled for going too slow
smittyyyy: But yeah idk on freeways I average 75-85
smittyyyy: Which is definitely above USA max speed limit.

smittyyyy: But when you’re on a 6 lane freeway it’s usually fine
sage12345: Yeah that’s true which is why I’ve been trying to get better with that

band1t_the_fur: Exactly
meowmeow_apple:
meowmeow_apple: Man, I sure do love being Mexican lol
meowmeow_apple: Well um, that's mostly because I am able to eat tacos all day and wear a som
meowmeow_apple: Taco ■■
betenoirerat: my favorite food is pandebono :3
meowmeow_apple: Oh well, I never really heard of that? But um, may you please tell me more ab
band1t_the_fur: What
betenoirerat: its colombian and means "cheese bread"
betenoirerat: its bread with a cheesy consistency on the inside
meowmeow_apple: And also, I was thinking you were actually going to type an entire paragraph
band1t_the_fur: Hand it over.
betenoirerat: oh my bad T^T
